Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book.

Core SKILLS

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged.

Working experience:

Migration Consultant at Newstars Education and Migration ------09/2019-06/2022

Personal Attributes

Strong communication skills - Developed through my clinical placement. This work required me maintain strong communication skills with patients, their families and other health professionals.

Excellent problem solving skills - Performed during the whole clinical placement. This work involves various pathological challenges and requires me to solve them individually. I always face the problem with confidence and solve them proficiently.

Attention to details - I always pay attention to the patient complaint and addressing their complaints during the consultation. I can find minor abnormalities and give appropriate management plan to the patient.

Team work - Ability to work efficiently with colleagues to improve patient's experience.

Strong Time Management Skills - Have to provide patients with high quality eye care within limited time frame. During clinical placement I was working under pressure and always finish them in time.

Language Skills

-Fluent in spoken and written English and Mandarin.
